JOIN US FOR A STROLL DOWN THE LINQ PROMENADE!

Just when you thought the Las Vegas Strip couldn't get any more dazzling, think again! An outdoor retail, dining and entertainment plaza, this high-energy marketplace offers approximately 40 shops and restaurants in a 200,000 square-foot area. Guests inside the Flamingo Las Vegas can walk right out into The **LINQ Promenade**. Take a leisurely stroll through the boutique shops and have dinner at the restaurant of your choice. There are MANY to choose from! After dinner, kick back, relax and take in the view from the High Roller!

We will meet in the Flamingo lobby at 5:30 PM.

THE HIGH ROLLER: THE WORLD'S TALLEST OBSERVATION WHEEL!

See Las Vegas the way it was meant to be seen....at night from the **High Roller**, the tallest observation wheel in the world! Shining bright on the Las Vegas Strip, the 550-foot-tall High Roller is a true standout at The LINQ's outdoor shopping, dining and entertainment promenade. We'll meet at the **Wheelhouse Lounge around 8:00 PM** for a drink before boarding, but don't rush to finish it – take it on the ride with you! Take a spin with us and see Las Vegas from a whole new view. LED light shows and 360 degree views make for a ride you don't want to miss! The High Roller was named "The Must See Attraction of 2015 in Vegas" by Huffington Post. Ticket price includes one 30-minute rotation on the High Roller and one drink. Additional drinks can be purchased at the Wheelhouse Lounge prior to boarding.

We plan to board the High Roller as a group around 8:30 PM. If you don't make it by 8:30 your ticket will be honored on a later rotation. Last rotation boards at 1:30 AM. Ticket is only valid for the day of purchase.
